

FloTech™ FT151RL ROM Link Replacement Sensor

Application:

- The FT151RL is designed to replace the complete ROM Link sensor assembly. Simply remove the Civacon sensor housing from the manhole lid and install the FloTech™ FT151RL or FT151RL-12. Plug the FT151RL into the wiring harness using our connector adapter and the change out is complete.

Standards:

- Drop in replacement for the Civacon ROM Link sensors 1554-007 & 1554-0012.

Materials:

- Aluminium housing with stainless steel hardware

Features & Benefits:

- Trouble free probes: FloTech™ brand probes incorporate a double elastomer design which seals and secures the sensitive glass optic prism tip. The elastomer seals are flexible allowing thermal expansion and resistance to steam cleaning and petroleum chemical attack.
- Unlike our competitors, FloTech™ probes do not use internal coil cord connectors which consistently fail in moisture. All FloTech™ Plug-n-Play probes are prewired to our harness connector, which has proven itself in moisture.
- FloTech™ sensor housings have a sturdy bolt on cap to better seal out water.
- The FT151RL includes an adapter connector to permit interchange between Civacon's Rom link system and the FloTech™ FT150RL sensor.
- Custom lengths available upon request
- The FT151RL sensor housing contains a Plug-n-Play probe. The sensor housing has a 2" NPT mounting thread, heavy duty stainless steel hardware, and FKM probe seal. Install into either a 2" NPT threaded port or a 2- " diametre tank opening using the gasket and locking nut provided. All screws and rings are heavy duty stainless steel for easy assembly and long life.

PART NO.	DESCRIPTION
FT151RL	Housing with 7" Plug-n-Play overfill detection probe, with Plug-n-Play harness and ROM link jumper cable connector
FT151RL-12	Housing with 12" Plug-n-Play overfill detection probe, with Plug-n-Play harness and ROM link jumper cable connector
FT152RL	Retain sensor with Plug-n-Play harness and ROM link jumper cable
Replacement Probes	
FT150P	Replacement 7" Plug-n-Play probe for FT151RL only
FT150P-12	Replacement 12" Plug-n-Play probe for FT151RL-12 only
FT152RL	Replacement Plug-n-Play probe for FT152P
10688	Gender adapter
10605PL	Plug-n-Play harness to monitor connector clip
